Comptroller's Office,
Bangalore, 4th January 1923.

My dear Sir,

I write to state that I had applied for extra establishment in connection with the audit &c., of the accounts of relief measures of distress prior to the receipt of Government Order No.49-63/D dated 26-12-23 in which larger loan and fodder supply operations have ~~be~~ been sanctioned. As this involves substantial increase of work I have made a formal reference to Government for the enhancement of the establishment requisitioned for in my letter No.713/Estt. dated 14-12-23

As there is already a lot of work to be done in that connection, I request you to kindly arrange for the very early sanction of Government being accorded to my revised proposals.

Yours sincerely,

Secretary to the Government of Mysore,

Financial Department.

SIR,

Adverting to Government Order No.R.2582-93/RM.11-23-104 dated December 23, directing among other things this office to keep an up late account of the disbursements under all the operations connected with the relief of distress in the affected parts of the State and t lebit the expenditure to a special head, I have the honour to report that a circular has issued (copy enclosed for reference) to the Depu Commissioners of the Districts concerned indicating the main outline of the procedure to be adoped by the officers drawing funds from the Treasuries and by the Treasury Officers in accounting for the same i their Treasury accounts.

2. It is necessary to form a separate section in my office to deal with accounts relating to the relief of distress and the number of extra hands required for this purpose may vary from time to time acco ng to the magnitude of the operations. As a beginning it may be ~~fxx~~ ormed with a Superintendent or Senior Accountant and two Accountants and I accordingly re uest immediate sanction of Government for the entertainment of the

To

The Deputy Commissioners,
Bangalore, Kolar and Tumkur Districts.

Sir,

Adverting to several Government Orders issued from time to time in connection with the measures to be adopted on account of relief of distress in the affected parts of the State, and ending with the one issued on the 7th December 1923, *viz.*, No. R. 2582-93/R. M. 11-23-104, I have the honor to issue the following instructions in regard to the drawing of moneys from the Treasuries for expenditure to be incurred on this account:—

1. The expenditure to be met from the funds specifically provided for relieving distress may be broadly classed under two heads, *viz.*, (i) Expenditure to be incurred by the Revenue authorities and (ii) Expenditure to be incurred by the Public Works Department. As regards the latter, funds will be drawn from the treasuries by Executive Engineers on pass orders or Permanent Advance Recoupment bills as usual, the outlay being however accounted for in their monthly Divisional accounts in accordance with separate instructions that will be issued to them.

2. The expenditure to be incurred by the Revenue authorities may further be classified under two heads, *viz.*, (1) Expenditure to be met out of this grant and finally charged off to the head 'Relief of Ditress' (which should be opened on Page 12 of the Treasury Cash Account just beneath the head '6. Savings Bank Deposits') and (ii) Payments of Takavi and other kinds of loans. In the case of the latter head, moneys will be drawn from the Treasuries as usual on forms prescribed for the drawing of Takavi and other loans, and under no circumstance should money be paid out of the imprest amounts on account of such loans. In respect of the former head, the following detailed procedure should be adopted by all the drawing officers.

3. Expenditure is, in the first instance, to be incurred from out of the imprests placed at the disposal of the several officers. When about 2/3rds of the imprest amount is spent a detailed bill should be prepared and submitted to the countersigning officer who should dispose of it on the very day it is received. Vouchers of all descriptions and even for sums of Rs. 25 or less should be attached to the countersigned bill which is presented at the Treasury for payment. These bills should be headed at the top boldly in red ink 'Relief of Distress', so as to enable the officers in charge of the Treasuries to readily distinguish them from other kinds of bills. The payments made at the Treasuries on these bills should be entered in a separate subsidiary register to be newly opened for this purpose labelled 'Register of payments on account of Relief of Distress'. At the end of each week, an extract of this Register (the carbon copy of the original) supported with all the bills and vouchers should be sent to this office through the District Treasuries.

4. Suitable instructions may kindly be issued to the several drawing officers as well as to officers in charge of District and Taluk Treasuries and other officers concerned.

I have the honor to be,
Sir,
Your most obedient servant,

SATYARAJ CHETTY,
Comptroller.

REV. 5 JAN 1924 SECTION

To

Rajakaryaprasaktha
M. N. Krishna Rao Esq., B.A.,
Financial Secretary to the Government of Mysore
Bangalore.

SIR,

In continuation of this office letter No.713/Es. dated 14th December 1923 soliciting sanction for the extra establishment required in this office, in connection with the audit, etc. of the accounts of distress relief operations, I have the honor to report that in view of the additional allotments sanctioned in Government Order No.49-63/D dated 26th December 1923 (and consequent increase of work in this office) the number of hands previously requisitioned for, is inadequate. At the time my original communication for additional establishment was addressed, only Rs. 5,000/- had been sanctioned for Land-Improvement and Takavi Loans on account of distress. The original allotment for the year for these loans, which was Rs. 65,000/- has so far been increased to Rs. 2,55,000/-.

From the accounts received up to date from Kolar and Tumkur Districts, it is seen that a large number of loans of sums which are as small as Rs. 10 and Rs. 15/- are sanctioned and these are recoverable in 1, 2, 3 and 4 years. These loan accounts to be maintained

in this office will increase by thousands and to avoid confusion in accounts, it is necessary that an additional establishment should be immediately entertained. I therefore request that sanction of Government may be obtained for the entertainment of one Accountant on Rs 77/-, for the present, in addition to the three hands asked for in my letter of the 14th ultimo.

Of the four hands now requisitioned for, two will be retained till the accounts of the operations are closed and the remaining two for such time as may be necessary of which Government will be apprised in the month of June each year.

I request the favour of immediate orders.

I have the honor to be,

Sir,

Your most obedient servant,

J. Satyanarayana

Comptroller.
